

CELEBRATING WOMEN'S HISTORY MONTH!

As a woman-owned small business, CURA Strategies is committed to supporting women in all stages of their careers. We are currently collecting professional attire for **Dress for Success DC**, a local organization dedicated to empowering women to achieve economic independence by providing professional attire, a network of support, and the development tools they need to thrive in work and in life. **Join us in donating dry-cleaned, gently-used professional attire to support women in our community!**
